

# Native Vegetation Heritage Agreement Training Opportunities

Are you a Heritage Agreement owner or landholder interested in learning about conserving native vegetation on your property?

You're invited to learn more about caring for remnant vegetation, on-ground techniques and strategies for improving habitats on your property and supporting resilience to climate change.

Training sessions will be run by Trees For Life in partnership with the Landscape Boards (SA) and the Native Vegetation Branch:

**Tuesday 22 October 2024, 9.30am – 3pm**

**Mount Burr Swamp (Mount McIntyre)**

**Thursday 24 October 2024, 9.30am – 3pm**

**Lucindale CFS station**

To speak with a Native Vegetation Officer about native vegetation, incentives and opportunities, or clearance approvals:

**Wednesday 23 October 2024, 12pm – 2pm**

**Naracoorte Library**
